

2007 BASEBALL EXPRESS  
CAPE COD HIGH SCHOOL CLASSIC  
PRESENTED BY UNDER ARMOUR  
POWERED BY BASEBALL FACTORY AND TEAM ONE BASEBALL

## EVENT INFORMATION

**DATE** – Friday, July 27, 2007

**LOCATION** – Wareham, Mass. – Spillane Field, home of the Wareham Gatemen

**THE OPPORTUNITY** – Your son is one of just 36 players nationwide chosen for this prestigious opportunity. He will get to play in front of a large contingent of Scouting Directors, National Crosscheckers, major College Coaches and other baseball decision-makers. There were 85 influential scouts and college coaches from major Division I programs at last year's game. Your son will also get to experience historic Cape Cod and will be honored on the field during the pre-game activities of the Cape Cod League College All-Star game, which annually attracts over 5,000 fans and the nation's top college prospects. The Cape Cod League had 198 alumni in the Major Leagues during the 2006 season.

**COST** – There is no fee for the Baseball Express Cape Cod High School Classic. We will also pay for the hotel and food expenses of all players. There will be two players to a room, under the supervision of the Team One/Baseball Factory coaching staff. Players are responsible for travel costs to and from the event. In addition, all players that participate in the Cape Classic will be invited to attend a Team One Showcase for free.

**FAMILIES/FRIENDS** – We encourage all families to attend. Families that attend will need to have their own car and hotel room. We will be mailing out hotel information to parents before the event. If a player comes by himself our staff will pick him up from the airport.

**AIRPORT** – The closest airport is Providence, Rhode Island – which is about a 40-minute drive to Wareham. The following airlines fly into Providence (American, Continental, Delta, Northwest, Southwest, United, US Air and others). The Providence Airport's website is [www.pvdairport.com](http://www.pvdairport.com). Boston's Logan Airport is approximately two hours from Wareham.

**ARRIVAL/DEPARTURE** – We understand July is a busy time for all players and families. We will work with you regarding special arrival and departure times if needed. We would like all players to arrive Wednesday, July 25 between noon-8 pm. The players will workout and scrimmage in front of scouts on Thursday, attend a welcome dinner Thursday night and then play in the game on Friday. On Saturday, all players will attend the Cape Cod League College All-Star Game. We would prefer players leave Sunday. If they need to rejoin their summer team earlier, just let us know. Please email John Perko with questions at [jperko@baseballfactory.com](mailto:jperko@baseballfactory.com).
