I _____ agree to abide by any and all rules/regulations imposed by the Midwest Youth Football Championships. I agree to provide tournament officials with current and accurate weight/height specifications as well as birth dates. I agree that I will use the same roster for the tournament that I used all season and will not combine teams to make one "all star" team. I agree to be sportsmanlike and courteous to all other coaches, players, officials, fans and spectators. I agree that this tournament is designed for the players to have a fun and memorable weekend and NOT as a blood-n-guts, win-at-all-costs championship. I agree to act with professional coaching courtesy if my team is ahead/behind by more than 20 points. I agree that all my players will play at sometime in all games.
